they travel through the foamy waves.

And watch.....the

# I'm Green, Yellow, Red -by Andrea Moon

## I'm Green

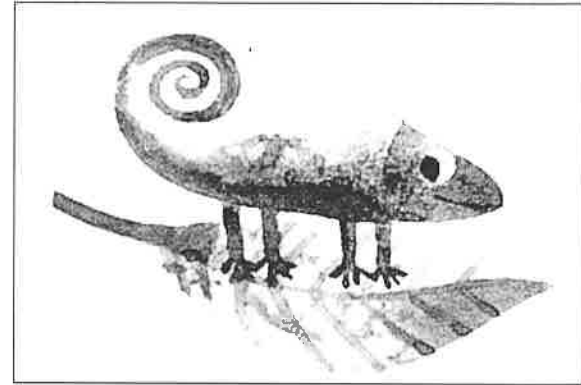

Medium TEMPO...Moderato

I'm green, I'm part of the in crowd.

I'm so happy, I want to shout out loud, "I'm really green."

Don't you think I'm keen? I'm finer than fine can be.

I'm the greenest in history, hey look I'm green.

## I'm Yellow

SLOWER Walking TEMPO...Andante

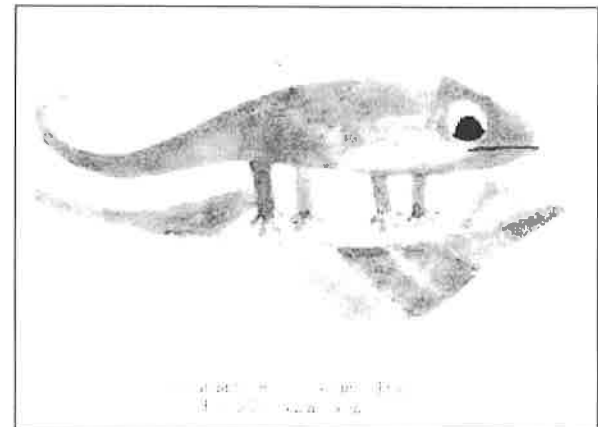

I'm yellow, what's happening to me now,

My color's fading and I don't know how....to go back to green.

The leaves are falling around.

This smile is turning into a frown.

I was up but, now I'm down 'cause I'm not green.

## I'm Red

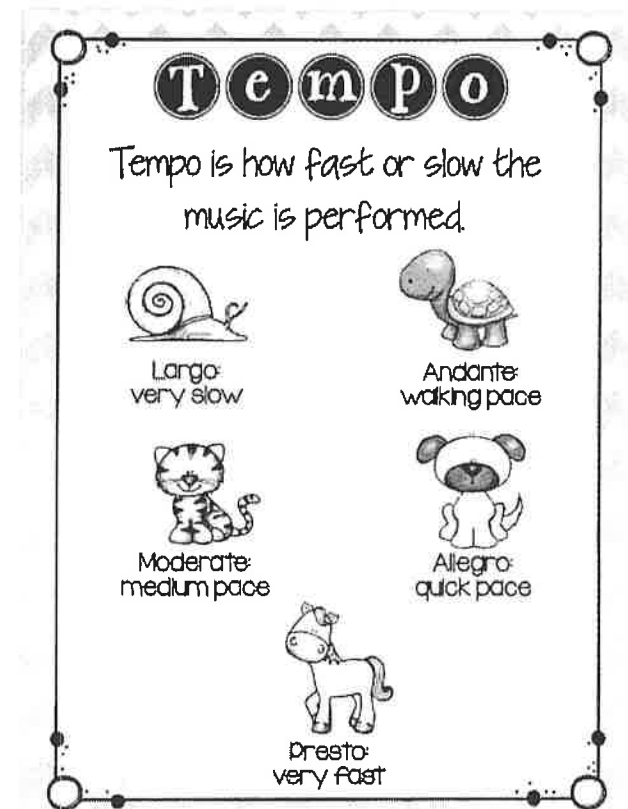

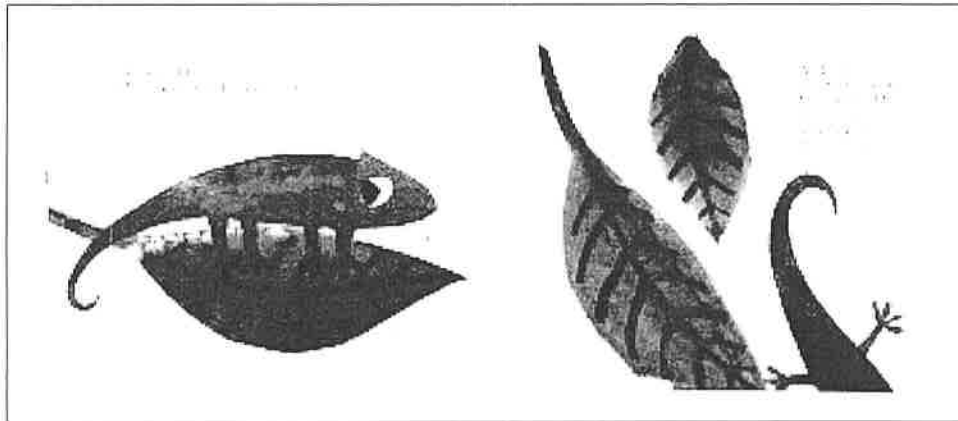

EVEN SLOWER TEMPO...Largo

I'm turning red, not yellow or green you see

I'm singing this final plea, don't let me turn red

Oh no I'm red, as an apple that grows on a tree.

I'm so full of misery, my color is red.

# Chameleon Blues – by Andrea Moon

## Verse 1

Chameleon blues, chameleon blues  
Shivering in the cold with his bad, bad news  
He goes from green to yellow, to red to black  
What'll happen when he's on a hippo's back?

## *CHORUS:*

*He's got the blues, blues, Chameleon blues  
He's got the blues, blues, Chameleon blues*

## Verse 2

Chameleon blues, different colored shoes  
He goes near a flower and he doesn't get to choose

If it's a dandelion, he's yellow and green

And when he's near a butterfly, oh what a scene!

*CHORUS:*

*He's got the blues, blues, Chameleon blues*

*He's got the blues, blues, Chameleon blues*

### **Verse 3**

Chameleon blues, chameleon blues

He's got to find a way to win and not always lose

Maybe he just could realize how cool your life can be

When you keep changing pretty colors gradually, gradually, gradually

When you keep changing pretty colors gradually.....OH YEAH!
