

Hot Cup of Cocoa

It's c-c-c-c cold outside! (shiver)
I'm f-f-f-f freezing! (Brrr!)
My nose is getting runny! (Sniff, sniff)
I hope I don't start sneezing! (Ah-choo!)
My t-t-t-t tootsies
Are F-R-O-Z-E-N! (That's FROZEN!)
If I counted I'm not sure that I will still have ten!

CHORUS

I want a... hot cup of cocoa with a... marshmallow or two!
I want a... hot cup of liquid love, only the choc'late kind will do!
I want a... hot cup of cocoa to warm me up from head to toe!
Make it in a mug, pour it in a cup,
Serve it on a saucer and warm me up,
With a h-h-h-h hot, c-c-c-c cup,
Of c-c-c-c-c-c-c-c co-cocoa!

(3S & 3B)

It's n-n-n-n nippy!
The wind is really blowing!
I wonder if it ever...
Will stop s-s-s snowing!
There's o-o only one thing,
That will warm my frozen feet.

A nice and hot, like a lot, steamy cup of choc-o-lot,
Will turn up my heat!

(3M)

(It's n-n-n-n nippy!)
(The wind is really blowing!)
(I wonder if it ever...)
(Will stop s-s-s snowing!)
(There's o-o only one)

(REPEAT CHORUS)
