Ev - 'ry - thing is fine! So let your true light shine! And

when your day is through, you know what to do. Say

thanks!

thanks!

f The To Rap
Say

RAP:

The birds in the sky, the fish in the sea, the air in between is all precious to me!
My mom and my dad, my sisters and brothers, my uncles and aunts and all of the others.
The teachers, and preachers, the fans in the bleachers, I'm grateful to feature these beautiful creatures!
So good to be thankful, so much to include, I'm in the mood for a gratitude attitude!

Repeat 4 times behind Rap

thanks! Say
