

First Footprints:

Frosty windows greet the morning light.  
Out my window is a blanket of white.  
So much excitement, so much delight.  
Making first footprints in a blanket of white. Snow Snoooooooooooooow

Chilly cheeked children with a sled underneath  
Flying downhill in a snow spraying wreath  
Smiles so big showing ear to ear teeth.  
Making first footprints, with a sled underneath.

(Rest 2, 3, 4---Rest 2, 3, 4)  
Snow Snoooooooooooooow  
**Snow Snow, Deep Snow**  
Snow Snoooooooooooooow

Snow Snow Snow Snow
Snow Snow Snow Snow
<b>Snow Snow Snow Snow</b>
Snow Snow Snow Snow

Finding treasure in a crystalline cave  
Greeting snowmen with a smile and wave  
Skimming the crest of a frosty white wave  
Making first footprints and mem'ries to save. Deeeeep Snoooooow

Crisp crunchy sounds like a melody rings  
When we drop in a drift to make snow angel wings  
Heavenly crunching and laughter sings  
Making first footprints and snow angel wings. Angel Wiiiiiiings

So much excitement so much delight  
So much adventure, and snow capped and bright  
Making first footprints in a blanket of white

## **High Hopes:**

*Had to have high, high hopes for a living  
Shooting for the stars when I couldn't make a killing  
Didn't have a dime but I always had a vision  
Always had high, high hopes  
Had to have high, high hopes for a living  
Didn't know how but I always had a feeling  
I was gonna be that one in a million  
Always had high, high hopes*

Dancin' on the Rooftop

I'm dancin' on the rooftop, rooftop, rooftop.

Dancin' in my sneakers, heel and toe.

Hangin' by my shoe strings. Watch me go!

The weather's fine on ol' Cloud Nine. All the birds are dancin', too.

But I won't come down to the ground till I find my parachute!

I'm dancin' on the rooftop, rooftop, rooftop.

Dancin' in my sneakers, heel and toe.
